11 JACK CARLTON CRAMER, JR.,) Chapter 7
12)
13) ORDER ON MOTION FOR RELIEF
14 Debtor.) FROM THE AUTOMATIC STAY

15 This matter having come on regularly for hearing before the
16 undersigned Bankruptcy Judge of the above entitled Court on March
17 26, 2010, on the motion of Residential Funding Real Estate Holding,
18 LLC, for relief from the automatic stay; the moving party appearing
19 through Melissa Williams Romeo of counsel, and the debtor being
20 represented by Helmut Kah, and the estate (trustee) having failed
21 to appear or respond; and it appearing from the record that the
22 Discharge was entered in this cause on September 2, 2009; and the
23 Court having concluded that the entry of the Discharge terminates
24 the automatic stay as to the debtor as a matter of law, which make
25 his response to the motion moot; and the Court having been
26 otherwise advised; now therefore, it is

ORDERED as follows:

1 1. The motion for relief from the automatic stay is granted
2 as to any interest of the trustee or the estate as to the real
3 property described in the deed of trust attached to the motion.

4 2. Any objection of the debtor is moot, and is therefore
5 denied.
